Extract from Obituary of the Late Mrs Grace Leggo Holder, mother of Harry Holder, from the West Australian newspaper on 8th December 1937:

In 1874 Mrs Holder married the late Mr Harry Holder, a native of Cheltenham, Gloucestershire, who predeceased her in March, 1936. Accompanied by their nine children they arrived in Western Australia in 1912 with hopes of meeting fair fortune, but the long war period took its toll. As each son became eligible he enlisted for active service. Their son Jim embarked with the 11th Battalion on the first convoy to leave Australia, while the youngest son and the fifth to enlist embarked on the last troopship. The sixth son remained on home service. Four of the sons paid the supreme sacrifice. Suspense, deaths and prolonged illness of the returned eventually caused Mrs Holder to have a stroke in 1921, through which she became blind.

Information from the Roll of Honour states that Harry Holder had received Territorial Training in Cheltenham, Gloucestershire for 4 years. He had arrived in Australia at the age of 27.

Harry Holder was a 31 year old, single, Farm Hand from West Perth, Western Australia when he enlisted on 13th September, 1916 with the Australian Imperial Force (A.I.F.). His religion was Church of England (Note: His attestation papers show Roman Catholic)\*. His next of kin was listed as his father – Harry Holder of 67 Loftus Street, West Perth, Western Australia. According to his Attestation form, Harry Holder had tried to enlist the month before but was rejected due to defective teeth.

Private Harry Holder was posted to 85 Depot on 18th September, 1916 for recruit training. He was transferred to 22 Depot on 16th October, 1916 then on 1st December, 1916 he was transferred to 95 Depot. Private Holder was transferred to 24th Reinforcements of 16th Battalion on 30th December, 1916.

Private Harry Holder, Service number 7251, embarked from Fremantle, Western Australia on HMAT *Miltiades (A28)* with the 16th Battalion, 24th Reinforcements on 29th January, 1917 & disembarked at Devonport, England on 27th March, 1917.

Reinforcements were only given basic training in Australia. Training was completed in training units in England. These were located in the Salisbury Plain & surrounding areas in the county of Wiltshire.

Private Harry Holder was marched in to 4th Training Battalion at Codford, Wiltshire on 27th March, 1917 from Australia.

Private Holder was admitted sick to Group Hospital at Codford on 27th April, 1917 with Rheumatism.

Private Harry Holder died at 6.20 p.m. on 28th April, 1917 at No. 3 New Zealand Hospital at Codford, Wiltshire, England of Cerebro Spinal Meningitis.

A death for <u>Henry</u> Holder, aged 31, was registered in the June quarter, 1917 in the district of Warminster, Wiltshire, England.

Private Harry Holder was buried on 2nd May, 1917 in St. Mary's New Churchyard, Codford, Wiltshire, England - Grave No. 81.

According to a letter from Private Holder's mother, dated October, 1921, there was confusion as to Private Holder's religion. He had completed his Attestation Form as being Roman Catholic, however Private Holder's mother states in the letter that he was a *"confirmed member of the Church of England."* Apparently one of his brothers *"had arrived at Codford Camp in time to cancel the arrangements made for a Roman Catholic funeral & to arrange for an Anglican funeral"*.

From the burial report of Private Harry Holder - The coffin was of polished elm & a Military funeral was conducted." The funeral was attended by his brother and wreaths were sent by him and members of the 24th Reinforcements 16th Battalion, who attended the funeral also."

Probate was granted in regards to the Will of late Private Harry Holder on 10th August, 1917. He named his brother – James Bennetts Holder as Executor. The following were listed as Legatees – Grace Leggo Holder – sister, Personal specific; Mary Emma Holder – sister, Personal specific; Martha Holder – sister, Personal specific; James Bennett Holder – brother, Personal specific; Albert Holder - brother, a minor, residuary.

A War Pension was granted to Harry Holder, father of late Private Harry Holder in the sum of 12/6 fortnightly granted from 3/7/1917, in addition to Pension of 12/6 per fortnight already granted in respect of late Private John Leggo Holder. The same War Pension was applied to late Private Harry Holder's mother – Grace Leggo Holder.

Private Harry Holder was entitled to British War Medal only as he had not entered a Theatre of War. A Memorial Scroll & Memorial Plaque were also sent to Private Holder's father – Harry Holder (Scroll sent 29th June, 1922 & Plaque sent 23rd June, 1922)

Roll Of Honour WW1 Australian War Memorial Canberra, Australia

H. Holder is remembered on the Western Australia State War Memorial which is located at the top of Kings Park and Botanic Garden escarpment, ANZAC Bluff, Fraser Avenue, Perth, Western Australia. The memorial was developed around an 18 metre tall obelisk as the principal feature, which is almost a replica of the Australian Imperial Force Memorials erected in France and Belgium.

The heavy concrete foundations are supplemented by heavy brick walls which enclose an inner chamber or crypt. The walls surrounding the crypt are covered with The Roll of Honour; marble tablets which list under their units the names of more than 7,000 members of the services killed in action or as a result of World War One.

West Leederville War Memorial

An article in the local newspaper the Cambridge Post, February 21, 2015 -

#### Names added 100 on

Far from fading away, 49 West Leederville servicemen are finally being recognised on the West Leederville War Memorial almost 100 years after they were killed. Cambridge local studies librarian Rosemary Ritorto said: "I suspect the names were just missed."

Changes in technology meant all sorts or records could now be searched, she said.

The Memorial, which stands in Cambridge Street outside the old Town Hall building, was unveiled in 1924.

A panel has been removed from the memorial by Perth Monumental Works to add the names to the 130 already there.

Ms Ritorto said the names would fit because they would be added with less space between them.

The remembered soldiers are: Frank O'Reilly, John Leggo Holder, Edwin Edmondson, Frank Thomas Lewis Aylett, Albert Victor Gordon James, Thomas Charles Foster, Harry Holder, Harold Alexander Plummer, Frederick Ralph George, Wyatt James Wyatt, Leonard Arthur Smeed, John Paterson, Joseph Leonard Hennerty, Poland Alfred Siggs, John Randle, Percival Swithin Blick, Wilfred Ernest Drabble, John Charles Marsland, Frederick William Smith, Edwin Hepburn Townshend, John Beckett, Clarence George Marquis, David Smith, Percy Phillip Dunstan, George Cockburn, Edward Harry Darby, Thomas Henry Walsh, Charles Edwin Holden, James William Bowen, James Whittaker Edmondson, David Howieson, Edgar Vernon Brady, James Lyons, Clifford Nicholas Oates, Morris White, John William Beverhoudt Moore, Cyril William Sumner, Alfred Stephen Moran, Harold Oswald Bray, Jack Carter Newman, Charles Forest Hill Munday, Albert Cross, Ephraim Jarvis, Edwin Manthorpe Hancey, Griffith David Lewis, Stewart Irwin Smith, Hoarce William Pearson, Charles Edward Jones, Carl Alfred Eliasson and Charles Henry Hinson.

#### Commonwealth War Graves Commission Headstones

The Defence Department, in 1920/21, contacted the next of kin of the deceased World War 1 soldiers to see if they wanted to include a personal inscription on the permanent headstone at Codford War Graves Cemetery. Space was reserved for 66 letters only (with the space between any two words to be counted as an additional letter) & the rate per letter was around 3 ½ d (subject to fluctuation).

The expense in connection for the erection of permanent headstones over the graves of fallen soldiers was borne by the Australian Government. (Information obtained from letters sent to next of kin in 1921)

A letter was sent from Base Records, dated 16th July, 1921, to Mr H. Holder, 67 Loftus Street, West Perth, Western Australia, advising that a letter from the Defence Dept. concerning an inscription on the headstone of his son, the late No. 7251 Private H. Holder, 16th Battalion, had not been answered & non-receipt of a reply within 21 days would have to be accepted as indicating that no further action was to be taken.

\*\*\* In a letter dated 3rd October, 1921 from Private Holder's mother, in which she explains the error in Private Holder being listed as Roman Catholic when he was in fact Church of England, she also puts forward the reasoning for the request for the "Star of David" for Private Holder's CWGC Headstone that was soon to be erected. "...this was chosen not because of its being a Denominational Emblem. But because of the significance of the six pointed star – inverted triangles – a symbol of considerable, meaning to an Astrologer and Occultist as was the late H. Holder. Our Christian Cross is certainly the Emblem of sacrifice \_\_\_\_\_\_ it Occult interpretation, never the less knowing my son's ideas I think he himself would prefer the "Star" – The Trinity & Evolution. This is, I suppose, a unique case. I thank you for your kind thoughts in drawing my attention to the seeming, oversight". Grace L Holder

Outcome – Private Holder has the Christian Cross on his CWGC Headstone.

Private H. Holder does have a personal inscription on his headstone.
