Commonwealth War Graves Commission Headstones

The Defence Department, in 1920/21, contacted the next of kin of the deceased World War 1 soldiers to see if they wanted to include a personal inscription on the permanent headstone at St. Edith's Churchyard, Baverstock. Space was reserved for 66 letters only (with the space between any two words to be counted as an additional letter) & the rate per letter was around 3 ½ d (subject to fluctuation).

The expense in connection for the erection of permanent headstones over the graves of fallen soldiers was borne by the Australian Government.

(Information obtained from letters sent to next of kin in 1921)

A letter from Base Records, dated 28th June, 1921, to Mrs E. Kenny, 143 Elizabeth Street, North Richmond advises that a letter from the Defence Dept. concerning an inscription for the headstone of the late Pte M. Kenny, 4174, had not been answered & non-receipt of a reply within 21 days would have to be accepted as indicating that no further action was to be taken. A letter, not dated, in the Service Record File for Pte Michael Kenny, to Base Records, from Mrs E. Kenny advises a change of address to 10 Mackay St, Essendon – date received 13th December, 1921.

Pte M. Kenny does have a personal inscription on his headstone.
